AOC-1 Sampling Work Plan

Dear Ms. Berry:

Enclosed please find the revised work plan for additional investigation activities planned in AOC-1. Your comments have been incorporated into the attached final plan. Attached to the final work plan are the Sampling and Analysis Plan and the Site-Specific Health and Safety Plan. OHM has scheduled for mobilization of personnel and equipment to the site to begin work on July 11, 1994. Work will be completed by July 18, 1994. Mr. Doug Peters, a project geologist from our Norcross, Georgia office, will be leading the field investigation effort and will coordinate activities with Mr. Kent Geis and MCB Camp Lejeune personnel.

If you should have any questions regarding the final work plan and its attachments, please do not hesitate to contact me at 609-588-6345.

Sincerely,

OHM Remediation Services Corp.

Katherine M. Lista, P.E.

Sr. Project Engineer/Project Manager
