RE: Letter from Mr. Robert L. Warren dated September
13, 1995 regarding the safety measures at Site 41
of Operable Unit 4.

Dear Ms. Landman:

The NC Superfund Section has completed its review of the referenced letter. We concur with the safety measures outlined in the referenced letter for Site 41. If conditions at the site change or if the State receives other new or additional information regarding the safety level at Site 41, additional measures may be required. Please call me at (919) 733-2801 ext. 282 if you have any questions about this.

Sincerely,

Patrick Watters
Environmental Engineer
Superfund Section
