RE: ELEVATION DATA FOR WATER
SUPPLY WELLS

Dear Mr. Gregory:

We are forwarding elevation data for wells in and near the Hadnot Point Industrial Area for your use in subsequent groundwater evaluations. Please note those elevations represent the "finished floor elevation" for the numbered wellhouses. Should you desire additional information on this matter, please contact Mr. Bob Alexander, (919) 451-3034.

Sincerely,

K. J. KIRIACOPOULOS
Lieutenant Colonel, U. S. Marine Corps
Director, Facilities Management Division
By direction of the Commanding General
