RE: TECHNICAL REVIEW COMMITTEE MEETING

Dear Mr. Humphries:

Our first Technical Review Committee meeting for our Installation Restoration Program (IR) is scheduled for Tuesday, August 9, 1988, at 0900 at a location to be announced.

This meeting will include a background brief of the IR Program presented by Ms. Cheryl Barnette, representative from Atlantic Division, Naval Facilities Engineering Command, Norfolk, Virginia; Colonel T. J. Dalzell and Mr. Bob Alexander, Marine Corps Base, Camp Lejeune representatives; and Mr. Bob Gregory, Environmental Science and Engineering, Incorporated.

We will also discuss the Feasibility Study Report for the Hadnot Point Industrial Area and take a tour of that area. This report is enclosed for your review.

We look forward to working with you on this project and hope to see you at this important meeting. If you should have any questions regarding this meeting, please contact Bob Alexander or Sue Jarman, office of AC/S, Facilities, at (919) 451-3634.

Sincerely,

T. J. DALZELL
Colonel, U. S. Marine Corps
Assistant Chief of Staff, Facilities
By direction of the Commanding General
