Dear Ms. Berry:

Baker Environmental, Inc. (Baker) is pleased to submit for your review two (2) copies of the Revised Draft Final Record of Decision (ROD) for Operable Unit (OU) No. 5 - Site 2. Two copies of this document have been forwarded to Mr. Neal Paul at MCB, Camp Lejeune. Copies of this document have also been submitted to the United States Environmental Protection Agency (USEPA), the North Carolina Department of Environmental Health and Natural Resources (NC DEHNR), and the Technical Review Committee (TRC) members as indicated on the attached transmittal letters.

This Revised Draft Final ROD reflects the results of our June 6, 1994 meeting in Wilmington, North Carolina. This submittal was not included in our Implementation Plan/Fee Proposal (IP/FP) dated June 24, 1993 for which no submittal date was contracted. Based on discussions between Mr. Ray Wattras and you, a planned submittal date of June 20, 1994 was designated.
