Mr. H. Kirk Lucius, Chief
U.S. Environmental Protection Agency, IV
Site Investigation and Support Branch
Waste Management Division
345 Courtland Street
Atlanta, Georgia 30365

Dear Mr. Lucius:

We are forwarding review comments by environmental agencies to keep you informed of progress in our Installation Restoration Program (IRP). Atlantic Division, Naval Facilities Engineering Command and our contractor, Hunter-ESE, Incorporated, are addressing each of these comments. As members of the Technical Review Committee (TRC), we will review the comments and our responses at the next TRC meeting.

For further information about the enclosures, please contact me or Bob Alexander at (919) 451-3034.

Sincerely,

T. J. DALZELL
