UST Section

July 13, 2001

MEMORANDUM

TO: Grover Nicholson
Division of Waste Management-SF Federal Remediation Branch

THROUGH: Dave Holsinger, Regional Supervisor *ff*

FROM: Bruce Reed, Hydrogeologist II

SUBJECT: USMC-Camp Lejeune, Bldg. 1817
Incident No. Pending
Camp Lejeune
Onslow County

On June 25, 2001, the Division received a letter from Camp Lejeune stating that they were transferring this incident to their Solid Waste Management Unit program due to the detection of chlorinated solvents in groundwater samples collected next to a former "used oil tank." It appears that this tank may have contained hazardous waste. Therefore, we are informing you of this matter for appropriate response and remediation under hazardous waste rules and regulations.

If you have any questions concerning this matter, please call Dave Holsinger at (910) 395-3900.
