Dear Ms. Hall:

The Division has reviewed the file for the subject incident. Due to the fact that the tank closure soil samples did not exceed regulatory action levels in effect at the time the tank was permanently closed, the Division requires no further action at this time in regard to this incident.

If you have any questions concerning this letter, please call Bruce Reed or myself at (910) 395-3900.

Sincerely,

David R. Holsinger
