Corrective Action

USMC Camp Lejeune LCH-778
Third Street
Camp Lejeune, Onslow County
Incident Number: 94067
Ranking: Low

Dear Mr. Schultz:

The Site Closure Report received by the Underground Storage Tank (UST) Section, Wilmington Regional Office today has been reviewed. A review of the report indicates that TPH testing was below action levels.

Based on information provided to date, the UST Section determines that no further action is warranted for this incident. This determination shall apply unless the UST Section later finds that the discharge or release poses an unacceptable risk or a potentially unacceptable risk to human health or the environment.

This No Further Action determination applies only to the subject incident; for any other incidents at the subject site, the responsible party must continue to address contamination as required.

If you have any questions regarding this notice, please contact me at the address or telephone number listed below.

Sincerely,

Bruce Reed
Hydrogeologist II
