Dear Mr. Holsinger:

The enclosure concerns the permanent closure by removal of one non-regulated underground storage tank (UST) at Marine Corps Base, Camp Lejeune, North Carolina. This UST is a skimming tank associated with an oil and water separator system. The tank identifications with associated North Carolina Department of Environment and Natural Resources facility identification number are as follows:

<u>TANK ID</u>	<u>NCDENR FACILITY ID</u>
• PT39	0-002740

Please refer any questions or comments to Mr. Bruce Markwick, Environmental Quality Branch, Environmental Management Division, Installations and Environment Department at (910) 451-5068.

Sincerely,

A handwritten signature in cursive script, appearing to read "Scott A. Brewer".

SCOTT A. BREWER, PE
Director, Environmental Management
