Date: Thursday, August 09, 2012 10:04:58 AM

All,

As we discussed last week, we are set for bringing 12 SMEs down for training and medical opinion production from 11 through 13 September.

I will need to have a second session set up for the additional 10 SMEs, which I would like to schedule for October. What week works best for you?

Thanks much.

Torie
