RE: Draft Final Site Management Plan for FY 1992
MCB Camp Lejeune, North Carolina

Dear Ms. Boucher:

The Environmental Protection Agency (EPA), Region IV, has received and reviewed the Draft Final Site Management Plan (SMP) for 1992 (dated November 1991). EPA's only comment is regarding the Navy's statutory compliance with the National Contingency Plan requirements for Community Relations Activities. All references to "PRAP" should include the necessary timeframes for Community Relations Activities.

In accordance with the Federal Facility Agreement (FFA), the SMP will become Final based on Navy acceptance of EPA comment. Please submit the revisions to the SMP either as inserts or as a new document.

If you have any questions concerning these comments, please contact me at (404) 347-3016.

Sincerely yours,

Carl R. Froede Jr.
