RE: Site Inspection Work Plan
MCB Camp Lejeune, North Carolina

Dear Ms. Boucher:

The U.S. Environmental Protection Agency (EPA) has reviewed the Navy's letter of May 16, 1991, addressing EPA, and State of North Carolina's comments to the Site Inspection Work Plans for the nine sites at MCB Camp Lejeune requiring further investigation. The EPA concurs with all points of the Navy's letter concerning the revisions and deletions to the final version of the Site Inspection Work Plan.

If you have any questions concerning these matters, please contact Mr. Carl R. Froede Jr. of my staff at (404) 347-3016.

Sincerely yours,
