CLOSURE OF LOT 140 IN RESPONSE TO SUPERFUND AMENDMENTS AND
REAUTHORIZATION ACT ISSUES

1. Request take immediate steps to provide recommended locations for operations currently being performed by electrical maintenance personnel at Lot 140. Upon the selection of an alternative site, request your action to remove and relocate all items currently stored at Lot 140 and thoroughly police up the area inside the fence.
2. This action is taken in response to documented contamination and concerns raised by environmental and legal staff following the proposed designation of this site on the National Priorities List. POC for this matter is Bob Alexander, extension 3934.
