Dear Bob:

Enclosed is an Onslow County overview of the water mains that have been installed within the county. Working from the 4 mile radius of which you previously referred to, the only new line to be installed will be a 6" water main from Tar Landing on Hwy. 258 to the intersection of Hwy. 258 and 53.

If any additional information is needed, please call me at 455-0722 and I will be happy to oblige.

Sincerely,

Bill Harvey
