Re: Work Plan Submittal
Camp Geiger Biocell
Contract N62470-93-D-3032; Delivery Order 0115
MCB Camp Lejeune, NC

Dear Ms. Landman:

Submitted for your review and approval is the attached Work Plan and Permit Application for Land Treatment of Petroleum Contaminated Soils at Camp Geiger, MCB Camp Lejeune, N.C. This plan has been devised to conform with the request for Quotation, our proposal and Permit No. SR0800066 received from the state of North Carolina on February 28, 1997.

We have provided copies of this Draft Work Plan to the individuals listed below for review and comment. Please forward all review comments to my attention for receipt by March 27, 1997 thereby enabling us to schedule the Preconstruction Meeting on April 1, 1997 and immediately proceed with the construction of the cell. Thanks in advance for your cooperation.

Very truly yours,
OHM Remediation Services, Inc.

James A. Dunn, Jr., P.E.
Senior Project Manager
