RE: Yearly Update date change to Site Management Plan
MCB Camp Lejeune, North Carolina

Dear Ms. Boucher:

The North Carolina Superfund Section has received the Navy's letter of 16 July 1991 requesting a minor amendment to the MCB Camp Lejeune Federal Facilities Agreement. Specifically, this letter of 16 July 1991 requested that the submittal date for revision of the Site Management Plan be changed from June 1st to November 15th of each year. The State of North Carolina does not concur with this change in submittal dates. It is our position that submittal of the first "Draft" SMP early in the Navy's budgeting process could be important in insuring that adequate funding is available for ongoing work and planned new work. Early submittal is also important to the State to aid in resource allocation and planning.
