

TECHNICAL REVIEW COMMITTEE

Marine Corps Base  
Camp Lejeune, North Carolina

COMPOSITION

- Marine Corps Base (Chairman)
- EPA Representative
- N.C. Division of Environmental Management Representative
- N.C. Division of Health Services Representative
- City of Jacksonville, NC
- Onslow County Health Department
- Citizen Members

FUNCTIONS

- Review and Comment on Studies and Remedial Actions
- Early and Ongoing Coordination
- Enhance Communication
- Coordinate Agency Review of Technical Documents
- Resolve Technical Issues
- Identify ARARS

PROPOSED PROCEDURES

1. TRC meetings will be announced by the Chairman as needed with a two week advance notice to the TRC members.
2. Meetings will be held at Camp Lejeune/Jacksonville area.
3. The Chairman will provide information as it becomes available for members to review, with a goal of allowing a 30-day TRC review period.
4. TRC meetings will be transcribed for documentation in the Marine Corps Base Administrative Record. TRC members will be provided a summary report of major issues discussed. Complete transcripts can be provided upon request.
5. TRC meetings will be conducted to encourage fluid discussion and to provide the Chairman with comments on studies and remedial action. The Chairman will guide the TRC discussions toward identifying and defining issues, discussion of issues, and ensuring each issue is addressed during the remedial process.
6. EPA and state agency members are expected to serve as their agency's spokesperson. Positions advanced by these members during the meeting are considered the agency position. Expression of agency positions in writing is encouraged for inclusion into TRC meeting transcripts.
