Re: Contract number N47408-92-D-3042, Removal of Drums at Site 6, Marine Corps Base, Camp Lejeune, North Carolina

Gentlemen:

The Draft Health and Safety Plan submitted for the referenced contract has been reviewed by our office, and we consider it acceptable as submitted with the following comments:

1. Ordnance is misspelled.
2. Complete all sections which state "(Completed on site during project start-up)" prior to the preconstruction conference. Page 8-6 is one example of this requirement.
3. Cover sheets for appendices A, B, C, and D are misfiled.
4. MSDSs are misfiled among the appendices.
5. Sheet 2-3 - Kent Geis is listed as Construction Manager on all other organizational charts.

Please call me at (910) 451-2583 if you have any questions or concerns.

Sincerely,

S.G. CHALLEEN
