12:8 MAY 1992

From: Commanding Officer, Atlantic Division, Naval Facilities
Engineering Command
To: Commanding Officer, Naval Environmental Health Center,
Norfolk (Attn: Code 06, Ms. Sheila Muschett)
Subj: REVIEW OF DRAFT FINAL RI/FS HEALTH AND SAFETY PLAN FOR
SITES 6, 9, 48, AND 69 AT MARINE CORPS BASE, CAMP
LEJEUNE, NORTH CAROLINA

1. Please review the subject document, previously forwarded by separate correspondence, and provide comments within 21 days. As we are striving to finalize the RI/FS Project Plans for the subject sites as quickly as possible; your expedience with this review is appreciated.

2. Any questions concerning this matter should be directed to Mr. Byron Brant at (804) 445-2931.

Sincerely,

P. A. RAKOWSKI, P.E.
Head
Environmental Programs Branch
Environmental Quality Division
By direction of the Commander
