RE: MCB Camp Lejeune NPL Site  
Jacksonville, North Carolina

Dear Sir:

The U. S. Environmental Protection Agency (EPA) Region IV has reviewed the above referenced decision document and concurs with the findings and the proposed interim remedial action.

It is understood that this decision is for interim remedial action on the shallow aquifer at the Hadnot Point Industrial Area. A final remedial action decision must be submitted following completion of the additional investigative work for the Hadnot Point Industrial Area.

Sincerely yours,

*Patrick M. Tobin*
