Dear Mr. Auspurger:

This letter acknowledges your recent phone conversation with Ms. Christie Bennett wherein you were invited to attend a Technical Review Committee Meeting to be held on Wednesday, December 9, 1992, from 9:00 a.m. until 1:00 p.m. at Building 1 in the Commanding General's Conference Room #126. Enclosure (1) contains maps that will assist you in locating Building 1, and parking is available in the rear of the building. Also, scheduled is a tour of the sites from 2:00 p.m. until approximately 3:30 p.m. for those who are interested. Enclosure (2) is a meeting agenda with specific details.

Remedial Investigation Workplans were recently submitted to you by our contractor Baker Environmental, Incorporated. Specific site discussion from these documents will involve the Former Nursery Day Care Center (Site #2), the Transformer Storage Lot #140 (Site #21), the Industrial Area Fly Ash Dump (Site #24), the Mess Hall Grease Disposal Area (Site #74), and the Hadnot Point Industrial Area (Site #78).

We appreciate your continued interest in our Installation Restoration Program and look forward to seeing you here on December 9, 1992. If you have any questions or comments, please contact Mr. George Radford, Installation Restoration Program Manager, Environmental Management Department at telephone (919) 451-5872.

Sincerely,

A handwritten signature in cursive script, appearing to read "Peter E. Black", is written over the typed name.

PETER E. BLACK
Acting Assistant Chief of Staff
Environmental Management
By direction of
the Commanding General
