RE: Draft Final RI/FS Work Plan for Operable Unit #1, MCB Camp Lejeune
Jacksonville, Onslow County, North Carolina

Dear Ms. Berry:

The North Carolina Superfund Section has reviewed the referenced document. The Superfund Section comments are attached. With the inclusion of these comments we look forward to concurring with the Final Document. If you have any questions please contact me at (919) 733-2801.

Sincerely,

A handwritten signature in black ink, appearing to read "E. Peter Burger".

E. Peter Burger, P.E.
Environmental Engineer
NC Superfund Section

February 9, 1993**

Health and Safety Plan

The North Carolina Superfund Section Industrial Hygienist, Mr. David Lilley, contacted Ms. Barbara Cummings of Baker Environmental on February 3, 1993. They discussed and resolved concerns that Mr. Lilley had. Ms. Cummings informed Mr. Lilley that these resolutions will be incorporated into the Final Document.

Sampling and Analysis Plan

Section 5.9.3.1, page 5-23, "Drill Cuttings".

The second paragraph of this section should have been omitted in response to our comments on the Draft Documents. Please omit this paragraph as it is contradictory to the procedure described in the first paragraph.

Work Plan

No comments.
