RE: Marine Corps Base Camp Lejeune NPL Site  
Operable Unit 4 - Sites 69 and 74  
Jacksonville, North Carolina

Dear Mr. Brant:

EPA has received the proposed deliverable date for the RI/FS Project Plans for Operable Unit 4 at the subject site. EPA concurs with the proposed deliverable date of June 10, 1993 and with the proposal to submit a more complete schedule with the next revision of the Site Management Plan.

Per our recent conversations, the presentation referenced in Ms. Laurie Boucher's letter dated April 8, 1993 will be held in Atlanta rather than Pittsburgh.

If you have any questions, please call me at (404) 347-3016.

Sincerely,

A handwritten signature in cursive script that reads "Michelle M. Glenn".

Michelle M. Glenn  
Senior Project Manager
