Contract Task Order (CTO) 0304  
Draft RI/FS Project Plans for Operable Unit No. 13 (Site 63)  
MCB, Camp Lejeune, North Carolina

Dear Ms. Landman:

Baker Environmental, Inc. (Baker) is pleased to submit three copies of the Draft Remedial Investigation/Feasibility Study Project Plans for Operable Unit No. 13 (Site 63). The Draft Project Plans include scope changes for the field investigation that were discussed during a conference call on April 18, 1995.

Two copies of these Project Plans have been forwarded to Mr. Neal Paul (MCB Camp Lejeune). Six copies of these Project Plans have been forwarded to Ms. Gena Townsend (USEPA). One copy of these Project Plans has been forwarded to representatives of the NC DEHNR. Two copies of these Project Plans have been forwarded to the Naval Environmental Health Center (NEHC). Members of the Technical Review Committee (TRC) have been notified that these Project Plans are available for review and comment.

In accordance with the project schedule provided in the Final IP/FP dated January 19, 1995, comments on these Project Plans are due no later than July 10, 1995 in order for the Draft Final Project Plans to be submitted by September 8, 1995.

If you have any questions regarding this submittal, please contact me at (412) 269-2053.

Sincerely,

BAKER ENVIRONMENTAL, INC.
