**TO:** TRC Review Committee  
Camp Lejeune HPIA

**FROM:** Michael J. Geden, P.G.  
Project Manager

**RE:** Final Interim Remedial Investigation Report  
Marine Corps Base Lejeune - HPIA Operable Unit

Transmitted with this letter is Volume 1 of the Final RI report for the Hadnot Point Industrial Area Operable Unit (Shallow Soils and Castle Hayne Aquifer) for your project files. We have also enclosed revised cover pages for volumes 2 and 3 of the report to which no other changes were made. Please note that this is an interim report which will be supplemented should additional site activities be completed. If you have any comments please forward them to the Navy Engineer-in-Charge at:

Mr. Byron Brandt  
Commander, Atlantic Division  
Naval Facilities Engineering Command  
Code 1822  
Norfolk VA 23511-6287

If you have any questions you can contact Mr. Brandt at (804) 445-1814.
