Preliminary Draft Project Plans - HPIA Deep Aquifer

Dear Ms. Boucher:

Enclosed please find two copies of the referenced project plans for the additional deep aquifer groundwater investigation at the Hadnot Point Industrial Area operable unit, MCB Camp Lejeune, North Carolina. Three copies have been forwarded to Mr. George Radford (Camp Lejeune EMD) in accordance with LANTDIV's November 21, 1991 Statement of Work.

The project plans have been bound into one document. Section I contains the Work Plan. The Sampling Plan and Health and Safety Plan are provided in Section II and Section III, respectively.

LANTDIV comments to these plans are due to Baker on or before March 12, 1992. Baker will revise the plans and submit a draft version within 21 calendar days following receipt of these comments.

If you have any questions or comments, please do not hesitate to contact me at (412) 269-2016.

Very truly yours,

BAKER ENVIRONMENTAL, INC.
