Dear Colonel Mader:

This letter is in response to numerous requests that we limit the number of technical documents submitted for review. In the future we will send only Draft Final documents to members of the Technical Review Committee. You will be notified when Drafts and Finals are published, and if requested, either document can be provided. The Finals will be available in the Onslow County Library and in the Installation Restoration Division office, room 238 in Building 67, aboard Marine Corps Base, Camp Lejeune, as part of the Administrative Record.

If you have questions or comments, please contact Mr. Neal Paul, Director, Installation Restoration Division, Environmental Management Department, at telephone (910) 451-5068.

Sincerely,

ROBERT L. WARREN
Assistant Chief of Staff
Environmental Management
