Re: Navy CLEAN, District III
 Contract Task Order (CTO) 0177
 Draft ROD for Operable Unit No. 1 (Sites 21, 24, and 78)
 MCB, Camp Lejeune, North Carolina

Dear Ms. Berry:

Baker Environmental, Inc. (Baker) is pleased to submit for your review two copies of the Draft Record of Decision (ROD) for Operable Unit (OU) No. 1 - Sites 21, 24, and 78. Two copies of this report have been forwarded to Mr. Neal Paul at MCB, Camp Lejeune. Please note that the reduced number of copies is per your verbal request on December 28, 1993. Copies of this report have also been submitted to the USEPA, the NC DEHNR, and the TRC members as indicated on the attached transmittal letters.

The Draft ROD reflects the comments received by the Activity on the Preliminary Draft ROD, in addition to other revisions noted by Baker. No comments were received by LANTDIV. Comments from the Activity (Mr. Walt Haven, Geologist) were received via telefax on January 21, 1994. No formal response letter has been prepared since the comments were primarily editorial and have been incorporated as appropriate.

Submittal of this report meets the target deliverable date of February 1, 1994. In addition, the submittal of this report exceeds the deadline identified in the Fiscal Year 1994 Site Management Plan (i.e., March 21, 1994).

In accordance with the project schedule included in the Final IP/FP dated June 24, 1993, comments on this report are needed no later than April 2, 1994 so that the Draft Final ROD can be submitted by May 2, 1994.

If you have any questions regarding this submittal, please contact me at (412) 269-2023 or Mr. Raymond Wattras (Activity Coordinator) at (412) 269-2016.

Sincerely,

BAKER ENVIRONMENTAL, INC.

 Tammi A. Halapin
 Project Manager
