Re: Contractor's Closeout Report - Time Critical Removal Action  
Surficial Metallic Debris in Operable Unit 6, Site 43  
Contract N62470-93-D-3032, D.O. 0077  
MCB Camp Lejeune, NC

Dear Ms. Saksvig:

Enclosed herewith please find three copies of insert pages for the subject document based on comments received from LANTDIV. These pages include a signed title page and Figure 1 which was inadvertently omitted from the draft submittal. Also enclosed is one additional complete unbound copy for the Administrative Record as requested.

The 35mm slides of the eight photos included in Appendix A will be forwarded to you under separate cover during the latter part of next week.

Very truly yours,  
**OHM Remediation Services Corp.**
