COMMENTS CONCERNING TIME CRITICAL REMOVAL ACTION PLAN FOR  
OPERABLE UNIT NO. 11

SITE 80

1. Page 1-2, Section 1.2 Site Description and Page 2-1, Section 2.0 Remedial Action Objectives. The base cover approximately 170 square miles. *Should read 234 square miles.*
2. Appendix A, Site Specific Health and Safety Plan, Appendix C. *Some MSDSs are difficult to read, this should be at least corrected so that the on-site Health and Safety Plan has legible MSDSs.*
3. Appendix A, page 8-10, Section 8.6.1 Notification Procedures. This information will help the on-site emergency coordinator to assess the magnitude and potential seriousness of the spill or release. *An additional statement should follow:  
"Once the spill or release is discovered, 911 the Base Fire Safety Division (Emergency Response Team) needs to be immediately notified, as well as the Installation Restoration Division".*
