1. The identification of "LANTDIV" Naval Facilities Engineering Command, Atlantic Division will be added to the text. Additionally U.S. will be added to Marine Corps and the word Environmental will be revised to Environment.
2. The reference will be revised to indicate "1995".
3. The reference will be revised to indicate "1990".
4. The text of this paragraph will be revised to clarify the selection of sampling points.
5. Additional text will be added to state placement of purge water on the ground surface will not adversely impact the groundwater prior to sampling.
6. See response No. 5.
