Contract Task Order (CTO) 0323
100% Design Package for Operable Unit No. 10, Site 35
Marine Corps Base, Camp Lejeune, North Carolina

Dear Ms. Landman:

Baker Environmental, Inc. (Baker) is pleased to submit two sets of the 100% Design Package for the above-referenced project. This package presents performance-based specifications for the implementation of Phase I of the Interim Remedial Action for Site 35. Two sets of this design package have been forwarded to Mr. Neal Paul (IRP Director) at MCB Camp Lejeune and Mr. Brent Rouse, ROICC Office (1 set). Sets of the package have also been submitted to USEPA (four sets), NCDEHNR (four sets), and Mr. Jim Dunn, OHM Remediation Services Corporation (3 sets).

This package includes the following items:

- Basis of Design Report
- Drawings
- Specifications
- Construction Cost Estimate

If you have any questions regarding this submittal, please contact me at (412) 269-2063 or Mr. Don Joiner at (412) 269-2064.

Sincerely,

BAKER ENVIRONMENTAL, INC.
