Mr. Dave Lown
North Carolina Department of Environment
and Natural Resources
Superfund Section
Post Office Box 27687
Raleigh, North Carolina 27611

Dear Mr. Lown:

Enclosure (1) is submitted for approval to transport and dispose of soil generated at Montford Point, Marine Corps Base (MCB), Camp Johnson. A copy of the site map for Montford Point is included as enclosure (2). Our plans are to dispose of the soil at the MCB, Camp Lejeune, Subtitle D lined landfill. The debris consists of non-hazardous lead contaminated soil as indicated in enclosure (3).

If you have any questions or comments, please contact Mr. Mick Senus, Installation Restoration Division, Environmental Management Department, at telephone (910) 451-5068.

Sincerely,

SAMMY D. GWYNN
Acting Assistant Chief of Staff
Environmental Management
By direction of
the Commanding General

- Enclosures: 1. NCDENR Form 3151, Waste Determination Form
2. Montford Point Site Map
3. TCLP Analytics for soil at Montford Point
