Re: PRELIMINARY INVESTIGATION, JP-5 FUEL PIPELINE LEAK,
MARINE CORPS AIR STATION, NEW RIVER

Dear Mr. Shiver:

We are forwarding as the enclosure the subject report for your review and concurrence. We welcome any comments or recommendations you may have to offer.

Camp Lejeune staff and the Atlantic Division, Naval Facilities Engineering Command will concurrently review the report in relation to the ongoing NACIP study and adjacent construction projects. In early July we would like to arrange a meeting with you to discuss the next phase of this project. Mr. Bob Alexander, 451-3034, will contact you for final arrangements.

Your continued support to Marine Corps Base efforts is appreciated.

Sincerely,

T. J. DALZELL
Colonel, U. S. Marine Corps
Assistant Chief of Staff, Facilities
By direction of the Commanding General
