UNITED STATES MARINE CORPS
Marine Corps Base
Camp Lejeune, North Carolina 28542-5001

6240
FAC

JAN 13 1989

From: Assistant Chief of Staff, Facilities
To: Director, Natural Resources and Environmental Affairs
Division

Subj: UNEARTHED 55 GALLON DRUM OF DDT AND UNKNOWN AT DRMO LOT
203

Encl: (1) Dir, NREAD ltr 6240 NREAD dtd 12 Jan 89
(2) Dir, NREAD ltr 6240 NREAD dtd 12 Jan 89

1. In response to information provided in enclosures (1) and (2), request you initiate immediate action to clean up only those drums and soil unearthed in Lot 203. The remainder of the buried material should be covered with earth and will be cleaned up as part of the Installation Restoration Program.

2. Request a memorandum for record on the visit and interview of Mr. Pallotti.

T. J. DALZELL
