Re: Contract 62470-D-4814
Navy CLEAN, District III
Contract Task Order (CTO) 0367
Quarterly Groundwater Monitoring Reports
Operable Unit No. 1 - Sites 24 and 78; and
Operable Unit No. 5 - Site 2
Marine Corps Base Camp Lejeune, North Carolina

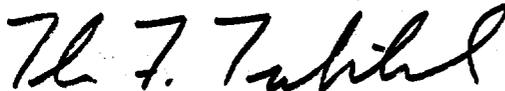

Dear Ms. Landman:

I am pleased to submit on behalf of Baker Environmental, Inc. (Baker) four unbound copies of the Quarterly Groundwater Monitoring Reports for both Operable Unit (OU) No. 1 and OU No. 5, Marine Corps Base (MCB) Camp Lejeune, North Carolina. The reports describe the activities completed as part of the monitoring program at Sites 2, 24, and 78 during the fourth quarter of 1996. Two copies of both quarterly reports have been forwarded to Mr. Neal Paul at MCB Camp Lejeune. Additional copies of the reports have been distributed according to the attached transmittal letters.

A number of the proposed recommendations described within these reports will be implemented during the first quarter of 1997. It is our intention to continue providing the Navy and Marine Corps, in future quarterly reports, with recommendations that improve upon the cost-effectiveness of monitoring and groundwater treatment activities. Please contact me at (412) 269-2051 or Mr. Matthew Bartman (Activity Coordinator) at (412) 269-2053 with any questions or concerns you may have regarding this report.

Sincerely,

BAKER ENVIRONMENTAL, Inc.

Thomas F. Trebilcock
Project Manager
