Dear Ms. Landman:

This letter serves as notification of a misprint in the final Record of Decision (ROD) for Operable Unit No. 12 (Site 3) dated January 6, 1997. In the Declaration, under the third subject heading the Description of Selected Remedy reads "No Action". This heading should have read "Source Removal with Biological Treatment". This ROD was signed by MCB, Camp Lejeune on April 3, 1997.

This notification has been submitted to MCB, Camp Lejeune, the United States Environmental Protection Agency (USEPA) Region IV, and North Carolina Department of Environmental and Natural Resources (NC DENR). This notification should be filed with the original ROD submittal to indicate that misprint has been rectified. USEPA and NC DENR representatives have indicated that resubmittal of this document is not required.

Should you have any questions regarding this correspondence, please contact me at (412) 269-2053.
