Contract Task Order (CTO) 0160  
Draft Interim RI/FS Project Plan  
Operable Unit No. 10 (Site 35)  
MCB, Camp Lejeune, North Carolina

Dear Ms. Berry:

Enclosed for your review are three (3) copies of the Draft Interim RI/FS Project Plan for Operable Unit No. 10 (Site 35). This Interim RI/FS Project Plan includes the Work Plan, Sampling and Analysis Plan, and Health and Safety Plan for implementing an Interim RI/FS at the referenced Operable Unit. Due to the limited amount of field work required to conduct the Interim RI/FS, and the fact that a "full-scale" set of RI/FS Project Plans are being developed for Operable Unit No. 10, the Interim RI/FS Project Plan references the full scale RI/FS Project Plans when appropriate.

Additionally, copies of this Draft Interim RI/FS Project Plan have been forwarded to the North Carolina DEHNR, EPA Region IV, MCB Camp Lejeune EMD, and TRC members in accordance with the distribution listed in the Delivery Order No. CTO-0160 dated March 22, 1993.

If you have any questions, please do not hesitate to contact me at (412) 269-2063.

Sincerely,

BAKER ENVIRONMENTAL, INC.
