Re: Contract N62470-89-D-4814
Navy CLEAN, District III
Contract Task Order 0314
Draft Engineering Evaluation/Cost Analysis - Site 84
Marine Corps Base, Camp Lejeune, North Carolina

Dear Ms. Montegross:

On behalf of Baker Environmental, Inc. (Baker), I am pleased to submit two copies of the draft Engineering Evaluation/Cost Analysis for Site 84 at Marine Corps Base (MCB), Camp Lejeune.

Copies of these documents have been forwarded as follows:

- MCB, Camp Lejeune (Mr. Mick Senus) - two copies
- USEPA, Region IV (Ms. Gena Townsend) - four copies
- NC DENR (Mr. David Lown) - one copy
- NC DENR (Mr. Rick Shiver) - one copy
- NC DENR (Mr. Arthur Mouberry) - one copy
- NEHC (Mr. David McConaughy) - one copy
- ASTDR (Ms. Carole Hossum) - one copy
- OHM (Mr. James Dunn) - one copy

Please note, that prior to design of the chosen alternative, additional activities will be required to accurately define the horizontal and vertical extent of soil contamination, confirm or deny the presence of buried materials at the site, conduct a wetlands survey, and define flow patterns of the existing drainage system discharging to the lagoon. The items are required to provide an accurate design for Site 84. These costs associated with these additional activities have been estimated and provided on Table 6-1 in this draft EE/CA.

A Total Quality Corporation

Baker

Ms. Maritza Montegross
