Re: Draft Work Plan Submittal - OU1 Site 78 Additional Extraction Wells
Contract N62470-93-D-3032; Delivery Order 0175
MCB Camp Lejeune, NC

Dear Ms. Landman:

Enclosed herewith please find one copy of OHM Remediation Services Corp.'s Draft Work Plan for the expansion of the extraction systems for the North and South Plants at Site 78, at MCB Camp Lejeune, NC. Included with this Work Plan are all the appendices comprising the HASP, SAP and CQC plans.

Please forward all review comments to us for incorporation into the final plans by August 26, 1998 to enable schedule compliance.

Very truly yours,
OHM Remediation Services Corp.

James A. Dunn, Jr., P.E.
Senior Project Manager
