Re: RAC Contract Number N62470-93-3032
Delivery Order 0100

Dear Mr. Dunn:

The Work Plans entitled "Remediation of PAH Contaminated Soil, Operable Unit No. 12, Site 3, MCB Camp Lejeune January 1999 has been reviewed by LANTDIV. The document is approved for immediate implementation with one exception: the Work Plan remediation levels must match the final remediation levels specified in the Final Amended ROD signed July 28, 1999. Therefore, the remediation goals specified on page 2-1 of the Work Plan should be revised. A copy of the remedial goals from the Final Amended ROD is attached for your convenience.

Sincerely,

A handwritten signature in black ink that reads "K. H. Landman".

K. H. LANDMAN
Remedial Project Manager
Installation Restoration Section
(South)
Environmental Programs Branch
Environmental Division
By direction of the Commander
