Subject: Submission of the Draft version of the Camp Lejeune SEAR Report

Dear Ms. Yeh:

Please find enclosed one copy of the draft report *Surfactant Enhanced Aquifer Remediation Demonstration at Site 88, Marine Corps Base, Camp Lejeune, North Carolina*. Please review this draft document and return your comments for final revision of the SEAR Report. A single copy of this draft report has also been forwarded to everyone on the distribution list for review and comment. It is requested that all review comments be returned to me by December 6, 1999 so that the report can be finalized by the deliverable date of December 15, 1999. If you have any questions about the content of this report or the requested review period, please call me at 512-425-2037.

Many thanks in advance to all reviewers!

Sincerely,

A handwritten signature in cursive script that reads 'Fred Holzmer'.
